

## Example MPA Course Plans

If you have completed the GDPA you can follow this plan:

| Six Term Completion Plan |         |         |         |         |         |         |
|--------------------------|---------|---------|---------|---------|---------|---------|
| Term                     | Fall    | Winter  | Summer  | Fall    | Winter  | Summer  |
| Courses                  | PA 9915 | PA 9912 | PA 9923 | PA 9914 | PA 9911 | PA 9917 |
|                          | PA 9916 | PA 9913 |         |         |         |         |
| Research Report          |         |         |         |         |         | REPORT  |

All other students can follow these plans:

| Seven Term Completion Plan |         |         |         |         |         |         |         |
|----------------------------|---------|---------|---------|---------|---------|---------|---------|
| Term                       | Summer  | Fall    | Winter  | Summer  | Fall    | Winter  | Summer  |
| Courses                    | PA 9901 | PA 9915 | PA 9912 | PA 9902 | PA 9914 | PA 9911 | PA 9917 |
|                            | PA 9903 | PA 9916 | PA 9913 | PA 9904 |         |         | PA 9923 |
| Research Report            |         |         |         |         |         |         | REPORT  |

| Ten Term Completion Plan |         |         |         |         |         |         |         |         |         |         |
|--------------------------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|
| Term                     | Summer  | Fall    | Winter  | Summer  | Fall    | Winter  | Summer  | Fall    | Winter  | Summer  |
| Courses                  | PA 9901 | PA 9916 | PA 9912 | PA 9902 | PA 9914 | PA 9913 | PA 9923 | PA 9915 | PA 9911 | PA 9917 |
|                          | PA 9903 |         |         | PA 9904 |         |         |         |         |         |         |
| Research Report          |         |         |         |         |         |         |         |         |         | REPORT  |
